

How to Get Referrals

I really enjoyed this pampering session with you, I hope you enjoyed it too!

You must know so many women who work so hard and don't take time for themselves and put everyone else's needs before their own. Do you know women like that?

I would love to meet them!! I am offering them a pampering session from you and they would also receive a \$10.00 coupon from me to go towards anything they would like!

If you share some of your friends with me, I want to thank you with a gift!

I have a few gifts to choose from.

If you share 5 names - one gift, 10 names – 2 gifts!
